Veritas Enterprise Vault
Product Sales, Professional Services & Authorized Training
NetX Information Systems, Inc. • Veritas Expert Accredited Partner

VERITAS™

Store, manage, and discover critical business information.

As the most widely-deployed on-premise enterprise archiving solution, Veritas Enterprise Vault (EV) enables organizations to efficiently store, effectively manage, and easily discover and retrieve unstructured information as needed. Veritas EV helps customers deduplicate information at the source to reduce operational costs, manage organization-wide retention and information governance policies, and control the costs of compliance and litigation support.
