PURESTORAGE **GOLD PARTNER**

With locations across the United States, NetX assists customers nationwide.

Trust • Value • Partnership

Established in 1997, we remain a leader in customer service and an innovator in approaching the challenges IT Departments are faced with today. Our philosophy is to establish trust, add value and maintain a long term partnership with our customers and vendors.

Our dedication to a single vendor in each technology area allows us to focus on being subject matter experts in the products we recommend to our customers.

- **Data Protection**
- **Archiving**
- **eDiscovery**
- **High Availabilty**
- **Endpoint Management**
